

The Bulletin of the Catholic Record Society -- Diocese of Columbus Subject Index, 1975-2020

The Catholic Record Society has published a monthly Bulletin since January of 1975, with a few exceptions. Monsignor Herman E. Mattingly was the first editor. Donald M. Schlegel became editor in 1985 and continues in that post today. No Bulletin was published in 1984 when Monsignor Mattingly became ill and none was issued in January or March through May, 1991. Every three years a bound volume of the monthly issues has been assembled, containing a complete table of contents and every-name index. (In 1985 the title became Barquilla de la Santa Maria, a change explained in the bound volume for 1985-1987.) Back issues of the Bulletin are available from the Society for \$1 each (including postage). If original issues are no longer available, photo-copies will be supplied for the same amount.

To assist the researcher in using the Bulletin, this index of subjects has been assembled. The general arrangement is as follows:

- U.S. Church History
- State and Regional Church History
- Diocesan History
- Spirituality
- Education
 - General
 - Elementary
 - Secondary
 - Seminary
- Health Care
- Biographical
 - Bishops of Columbus
 - Other Bishops
 - Other Clergy
 - Religious
 - Laity
- Religious Orders
- Societies
- Genealogies
- Ethnic
 - American Indian
 - Irish
 - German
 - Slavic
 - Italian
 - French
- Localities -- by County, Town, and Parish or other Institution

The subject index refers to the issue in which the information appears, by month and year.
